Before 1960, there is no number in the dead wax, just: sjw.

After 3/24/60, look for:

SJW 4863

Also look for:

FR = Floyd M. Ramsey

JM = Jack Miller

Most times both initials appear in the dead wax. This means the parts were cut at Audio Recorders in Phoenix, AZ. In the 70s and 80s, the Wakefield logo looks like this:
